

BALADI CAP conducted a mapping exercise and identified 70 active Faith-Based Non-Governmental Organizations (FBOs) currently operating in Lebanon. The list below includes detailed contact and other information including location, geographical distribution, religious affiliation, general activities, services being provided to communities, general overview of the institutional capacities of the FBOs, and available data on funding sources. The FBOs included in this list reflect the diversity of Lebanon's religious communities and include Christian churches and Muslim mosques representative of specific religious communities or ethnic sub-groups. The PDF version of this list is condensed for a quick reference. For complete details, please see the version in Excel. The information is up-to-date as of June 2020.
